Measure your child, matching their measurements with the appropriate size on the size chart. We thank you for your cooperation and assistance in this effort!

MEASURING INSTRUCTIONS: Make sure to measure according to the following picture and chart.

1. Bust
With arms relaxed down by your side, measure around the fullest part of the chest keeping the tape measure parallel to the floor.

2. Waist
Measure around natural waistline, the narrowest part of the upper body (not over shirt or pants).

3. Hips
Measure around the fullest part of the lower body, keeping the tape straight and parallel to the floor.

4. Girth
Measure from the center of one shoulder, down the front through the crotch and up the back to the starting point.

5. Inseam
Measure inside of leg, from the crotch to just below the anklebone.

6. Head size
Measure around the circumference of the head, from the forehead, all the way around back to the starting point.
